

# ABOUT QUICKSCREWS

Founded in 1987 as a local wholesaler of products for the cabinet and furniture trades, Quickscrews International Corp. has evolved into the supplier of the most popular brand of fasteners in the industry.

Over the past 37 years Quickscrews has become known as the go-to source for woodworking fasteners because of its superior customer service. Over 50% of our employees have been with the company longer than 10 years, and 3 of them have been "lifers," with the company for more than 28 years.

Our highly trained and experienced personnel are ready to discuss your needs and concerns to ensure you get the product you need when you need it.

# FEATURES

Quickscrews has the widest selection of woodworking fasteners in the industry. If you need it, we have it. Quickscrews' innovative features make the woodworker's job easier. Our screws were specifically designed to minimize splitting in the wood, eliminate the need for a pilot hole, and reduce torque when driving.
